

A grid of 100x100 black and white icons representing various symbols from the International Phonetic Alphabet (IPA) and other phonetic transcription systems. The symbols include letters, numbers, and various diacritics such as dots, dashes, and arrows, all rendered in a stylized, blocky font.

◀ × □ ■ ▶ ↻

A decorative horizontal bar consisting of a repeating pattern of various geometric shapes. The shapes include triangles pointing up and down, squares, circles, and stars. The colors used are black, white, and different shades of grey.

A horizontal row of various musical symbols including triangles, squares, circles, and arrows.

A horizontal row of various geometric shapes including circles, squares, triangles, and stars.

The image consists of a large grid of black and white symbols on a white background. The symbols are primarily geometric shapes: squares, triangles, and circles, each containing a smaller version of the same shape. These are arranged in a regular, overlapping grid pattern. Some symbols have additional features like diagonal lines or dots. The overall effect is a complex, abstract texture.

A dense grid of black and white symbols, including various shapes like circles, squares, triangles, and more complex patterns like crosses and diagonal lines, arranged in a 10x10 grid.

A decorative horizontal border consisting of a repeating pattern of black geometric shapes on a white background. The shapes include rectangles, circles, triangles, and crosses, arranged in a staggered, overlapping manner.

A decorative horizontal border at the bottom of the page, consisting of a repeating pattern of geometric shapes such as squares, circles, and triangles.

A horizontal musical staff consisting of five lines and four spaces. It features a variety of blue symbols representing musical notation: triangles pointing up and down, squares, diamonds, circles, and various patterns like diagonal lines and dots. Some symbols have stems or tails extending from them. The symbols are distributed across the staff, with some appearing multiple times.
