A decorative border composed of a repeating pattern of geometric symbols, including squares, triangles, and circles, arranged in a grid-like fashion.

A decorative horizontal border at the bottom of the page, consisting of a repeating pattern of black geometric shapes (circles, squares, triangles) on a white background.

The image consists of a large, square grid of black and white characters. The characters are primarily composed of geometric shapes such as squares, circles, and triangles, often arranged in a repeating pattern. Some characters contain internal symbols like question marks or exclamation points. The overall effect is reminiscent of a stylized font or a complex digital迷宫 (labyrinth). The grid is set against a plain white background.
